Turnaround & shipping to Amazon

Replenishment orders received before our 12 PM ET cut-off ship the same day; standard prep turnaround is 1–2 business days. We book the most cost-effective option per shipment — Amazon Partnered Carrier (LTL), standard LTL, or FTL — and pass through carrier rates.

Inventory portal & support

Every client gets access to our live portal for real-time stock levels, receiving reports with photos, and shipment status. Fast, direct support from a real person — no ticket queues.

— **No setup fees. No monthly minimums. No hidden charges — ever.** —
